

## F & B CONCEPT

**BENCHMARK**  
A GLOBAL HOSPITALITY COMPANY

**SUPPLY X DELIVER**

A BENCHMARK VIRTUAL ENGAGEMENT

## OUR PHILOSOPHY

We believe that food and meeting other people are the most primitive form of comfort. By embracing creativity, innovation and sustainable practices in every product we design, we empower chefs and hospitality professionals to provide remarkable moments and unique guest dining experiences.

We create and distribute luxury, smart designed, sustainable sourced and energy efficient food and beverage equipment for several industries as well as meeting & banquet equipment for luxury hotels.

## OUR CORE VALUES

### Sustainability

- Material, recyclable, re-growing
- Durability, long lasting
- Flexibility, less equipment, less storage
- Versatile, changeable design
- Functionality, reduction of energy waste & food waste

### Luxury

- Luxury moments are natural moments
- Consume natural Products
- Consume fresh food
- Luxury and sustainability become one

### Solution

- Wholistic approach with architects, designers, F&B professionals
- Planning, designing, scouring, manufacturing, service advisory

# CONTENTS

## THE „BAUKASTEN“

NEXT GENERATION F&B CONCEPT

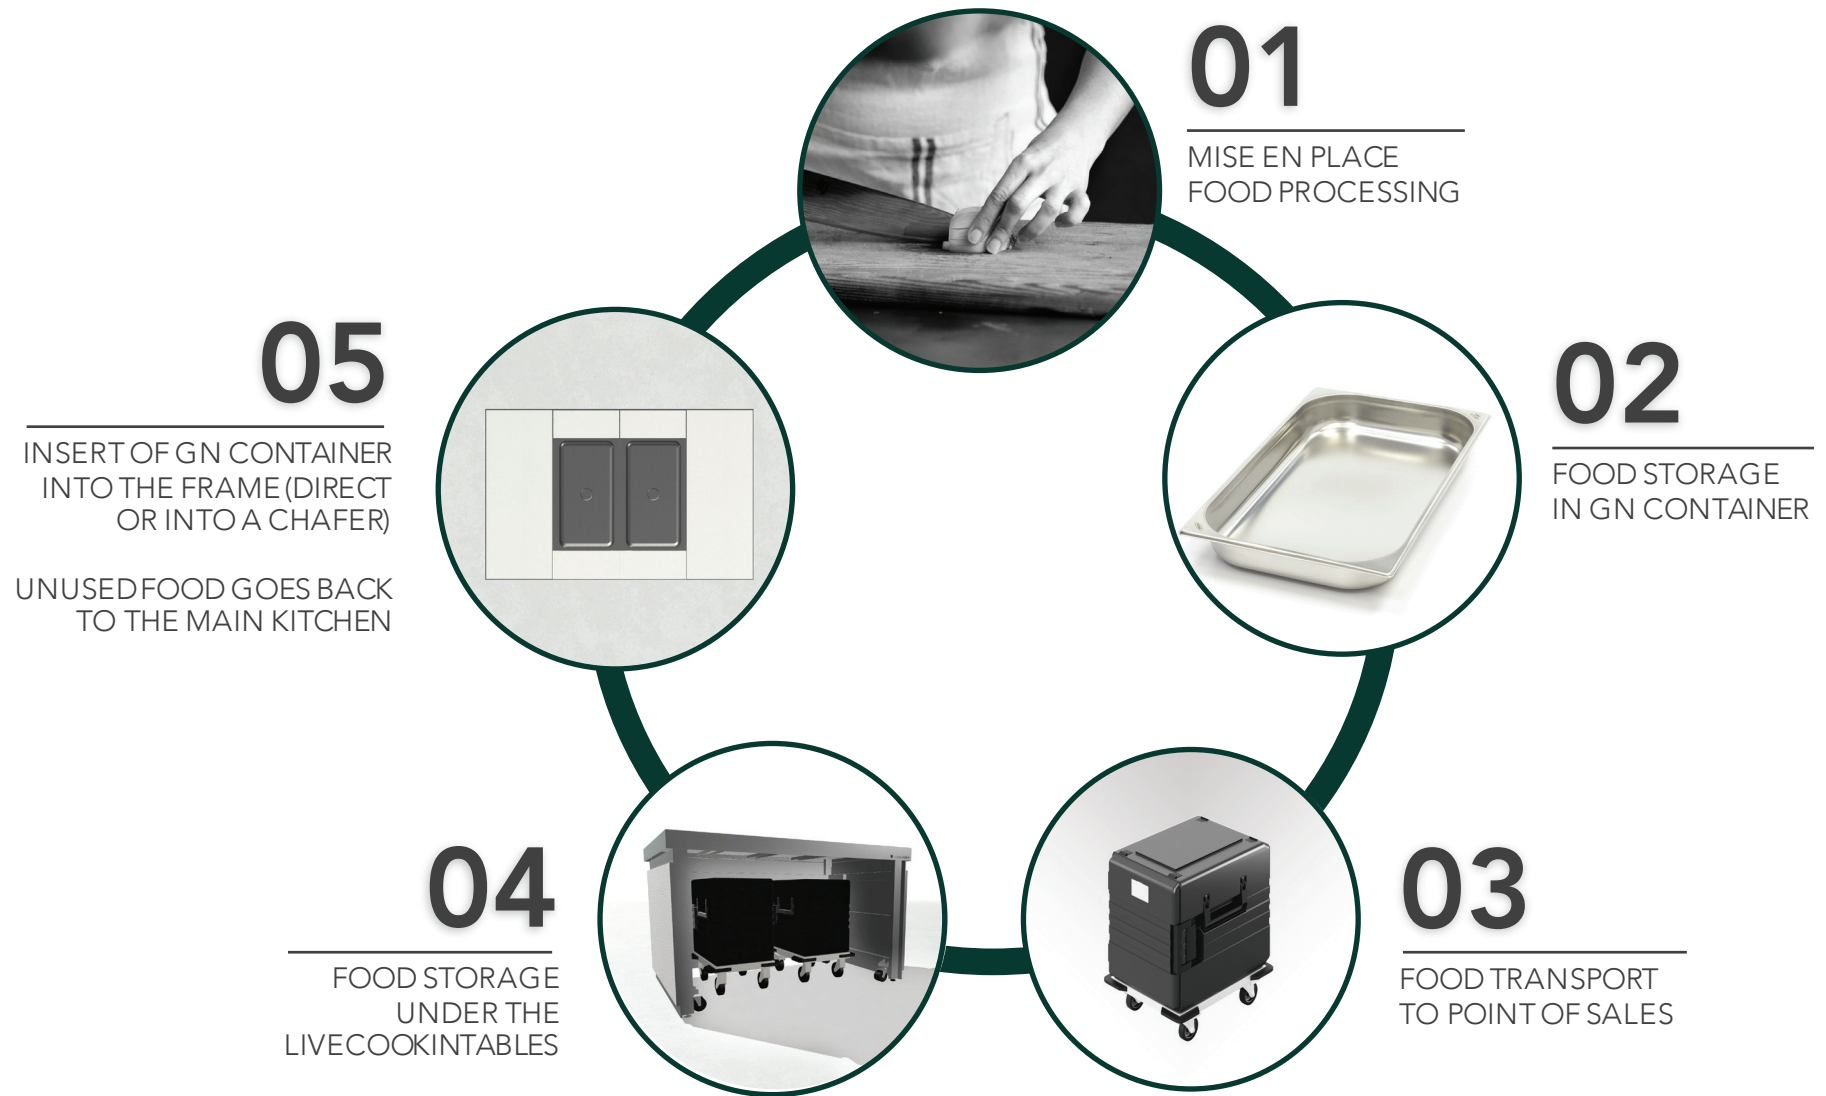

## WHAT IS THE „BAUKASTEN“ ?

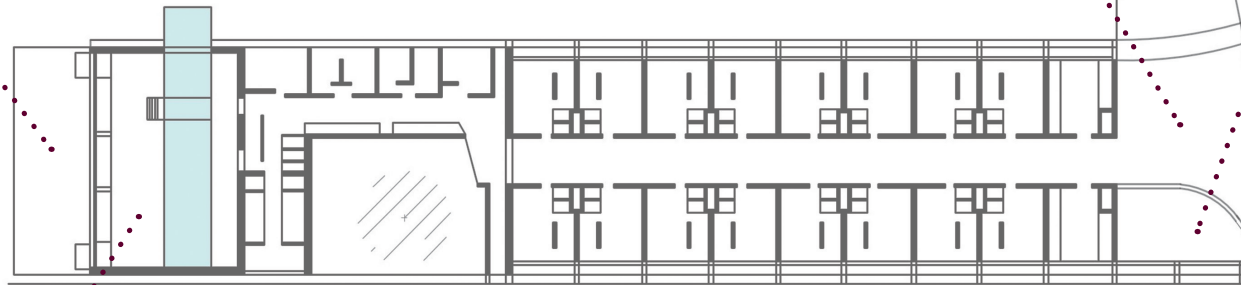

### MODULAR & MINIMALISTIC

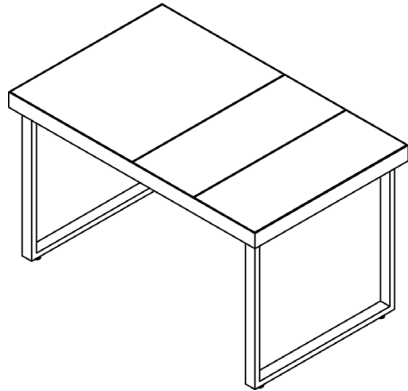

The first Lego-like „Baukasten“ for individual F&B concepts. livecookintable® makes it possible to meet most sophisticated customer requirements with minimal effort. It offers an infinite number of applicable solutions by using just a few standardized components with full gastronomy compatibility and the possibility to assemble and interchange an infinite number of product variants from the smallest possible number of components. livecookintable® assembly, dismantling, rebuilding, modification, adaptation and extension are ensured in the long run with minimal effort.

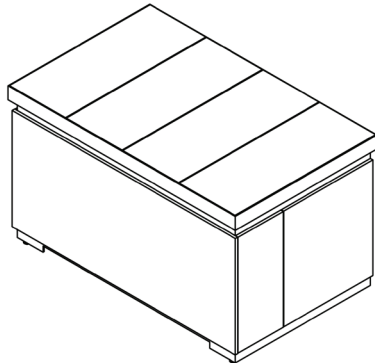

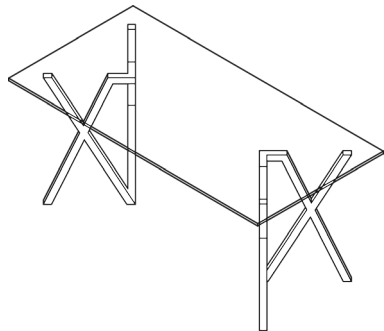

**Professional**

**Moove**

**Xcross**

**Professional – The event catering expert**

The Professional is the original livecookintable, open or clad on three sides, developed to perfectly cover all event catering needs. With convincing logistics, perfect function, lightweight and strong in performance, it is the leading event catering expert.

**Moove – The all day dining furniture**

The Moove is the first choice for individual cladding of all kinds, especially semi-build-in solution. It can be fixed on castors, with door widths + 1200mm and step-free floors. Our lightweight Moove cladding in the 'Mix + Match' or 'Extended' collection turns it into a beautiful furniture for ADD.

**Xcross – The pop-up solution**

The Xcross is the quick assembly and dismantling solution. A pop-up furniture for small boxes, lounges, the simple, ingenious solution for quick use.

## AIRWALL 15

### 1100m3 Air Cleaning

Powered by plasma ozone technology the air wall is intelligent filter system that enables cooking in closed spaces. The 4 steps filtration guarantees the high performance air cleaning and super low noise:

- Eliminates food smells
- Fat and water particles are filtered and collected in the condensate tray
- Eliminate viruses, bacteria, germs and aerosols
- Certified by the Fraunhofer Institute (fraunhofer.de)

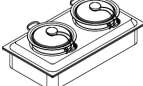

Airwall airflow clearing and disinfection
